It is recommended that before purchasing, parents/carers check the items that their child already has. Children do not necessarily need, for example, a new pair of scissors each year. Please rule out the whole line of items you do not wish to purchase.

These products can also be purchased from other retailers. The brand names that are listed have been selected because they are of a superior quality. We ask that when purchasing any of the items listed that you consider purchasing these brands or one of a similar quality. Experience tells us that inferior products are not durable enough to last in the classroom environment.
