CHAPLAINCY IN SCHOOLS

YouthCARE Chaplains care for the social, emotional, mental and spiritual wellbeing of students, families and staff in public school communities throughout Western Australia.

Chaplains are qualified in pastoral care and youth work. They respect all people, no matter who they are, where they’re from, or what their personal belief system is.

We welcome Ms Leonie Whisson, the school’s new chaplain to the Wundowie Primary School Community. Ms Whisson will be at the school on a Friday on a fortnightly basis.

A word from Ms Leonie Whisson:

‘My role in schools is to be a caring listener for students, staff and parents/carers. I am someone who has the time for a chat if you are feeling a bit down or just needs someone to talk to in confidence. I am trained in supporting many issues but I am not a councillor. Although we are a Christian organisation we are not allowed to discuss our faith unless asked. I have been a chaplain at York District High School for 10 years and I am excited about joining the Wundowie School Community.’
