**The table of costs is the maximum cost.** If a particular event does not go ahead within the school year, no charges for that event will apply. Note that not all children in the year level are involved in all activities, eg interschool sporting teams, PEAC etc

When school staff arranges extra cost activities, payment will be requested immediately prior to the event. *Payment options may be negotiated with the Principal.* All activities outlined below are optional and if no payment is received, an alternative educational activity will be provided for your child.
